SET - XI

The following are the conditions of licence number **58 / 2019** to possess and sell from a shop, at one time, not exceeding 100 kilograms of manufacture fireworks of Class 7 Division 2 Sub-division 2 and 500 kilograms of Chinese crackers or sparklers in Form LE-5 (article 5(b)) granted by the District Magistrate.

CONDITIONS

1. The fireworks shall be kept in a shed/building made of non flammable material, which is closed and secured so as to prevent unauthorized persons having access thereto.
2. No oil burning lamps or naked light shall be used in the shed or within the safety distance of the sheds for the purpose of lighting. Any electrical light, if used shall be fixed to the wall or ceiling and should not be suspended by flexible wire. Switches should be fixed rigidly.
3. The licensee and the employee shall be conversant with the procedure to be taken during the emergency within the premises.
4. Free access to the licensed premises shall be given at all reasonable times to any inspecting or sampling Officer and every facility shall be afforded to the Officer for ascertaining that the provisions of the Act or these rules and the safety conditions are duly observed.
5. If the licensing authority informs in writing, the holder of the license to execute any repairs or to make any additions or alterations to the licensed premises or machinery, tools or apparatus or carry out recommendations, which are in the opinion of such authority may pose unacceptable risk and so necessary for the safety of either on site or off-site of the premises or persons, the holder of the licenses shall execute the recommendations and report compliance within the period specified by such authority.
6. The accidents by fire or explosion and losses shortage or theft of explosives shall be immediately reported to the nearest police station and the licensing authority and local office of the licensing authority.
7. The licensee shall purchase authorized fireworks as mentioned in the list of authorized explosives from a licensed factory or company for possession and sale from the shop.
8. Fireworks/Colour/Star matches containing Chlorates shall be separated from other type of fireworks by intervening partition of such substance and character or by such intervening space, as well effectually prevent explosion or fire in the one containing with other.
9. All sales of fireworks under this license must be made in the premises described in the license.
10. No fireworks containing chlorate except paper caps or amerces or colour match or fireworks approved by the Chief Controller shall be kept in the premises.
11. The licensee shall keep records and accounts of explosives in stock and of all sales in form prescribed below as the licensing authority may from time to time direct and shall exhibit his stock and his books and records to any of the officers authorized under these rules, whenever such officer may call upon him to do so.

Date	Opening Balance	Quantity of fireworks purchased	Name and license number of the licensee from whom purchased	Quantity of fireworks sold	Closing Balance

No fireworks capable of generating noise exceeding level as under shall be stored in the premises and sale from the premises.

- a. 125dB (A1) or 145dB (C) pk at 200 meters distance from the point of bursting shall be prohibited.
- b. For individual fire-cracker consisting the series (joined fire-crackers), the above mentioned limit be reduced by 5 log 19(N)dB where N=number of crackers joined together.
